This competition will take place in France in the 3 borders region (Alsace), in Hésingue between June 1st and 3rd 2018.

The tournament will take place over 3 days in the beautiful La Comète hall of Hésingue equipped with 9 courts.

In a few weeks, we will send you a more detailed presentation but you may already get an idea by reading the special rules of the competition attached to this letter.

This competition will take place in France for the first time and we will do everything we can to make to live up to the expectations. Our priority will be to offer to players and spectators an amazing experience and strong memories.

Please let us know as soon as possible if you have an interest in participating to the Forza Nation Cup by sending an email to the Association France Badminton Veterans (asso.fbv@gmail.com).

We have 8 spots available for this competition and **wish to know by November 30th 2017** if you intend to participate.

Hoping to see many of you in a few months in Alsace!
